§ 1

The business name (*Sw. företagsnamn*) of the company is Securitas AB. The company is a public company (*publ*).

§ 2

The Board of Directors of the company shall have its registered office in the municipality of Stockholm, County of Stockholm.

§ 3

The object of the company is - directly or indirectly through subsidiaries - to pursue guard business, offer services and products within the field of security, own and administer real and movable estate, as well as pursue other compatible business.

§ 4

The share capital shall be no less than SEK two hundred million (200,000,000) and no more than SEK eight hundred million (800,000,000).

§ 5

The number of shares issued shall be no less than two hundred million (200,000,000) and no more than eight hundred million (800,000,000).

The shares may be issued in two classes, designated class A and class B. Shares of class A may be issued up to a maximum number of one hundred and sixty million (160,000,000) and shares of class B to a maximum number of six hundred and forty million (640,000,000).

Each share of class A entitles to ten (10) votes and each share of class B to one (1) vote.

Should the company decide to issue new class A and class B shares by way of a cash issue or a set-off issue, the holders of class A and class B shares, respectively, shall have priority right to subscribe to new shares of the same class in proportion to their existing shareholdings (primary right of priority). Shares not subscribed to by primary right of priority shall be offered to all shareholders (subsidiary right of priority). If the entire number of shares subscribed to by subsidiary right of priority cannot be issued, the shares shall be distributed between the subscribers in proportion to their existing shareholdings and, insofar as this cannot be done, by drawing of lots.

Should the company decide to issue shares of only one class by way of a cash issue or a set-off issue, all shareholders, irrespective of class of shares owned, shall have priority right to subscribe to new shares in proportion to their existing shareholdings.

What is stated above shall not entail any restrictions on the possibility to resolve on a cash issue or a set-off issue with deviation from the shareholders' priority rights.

An increase of the share capital by way of a bonus issue shall be made by issuing shares of both class A and B distributed between the classes of shares in proportion to their part of the share capital when the increase is decided upon. Owners of shares of class A and class B, respectively, shall then have the right to new shares of the same class, each in proportion to their existing shareholdings. The above shall not entail any restrictions on the possibilities to issue shares of a new class by a bonus issue, after any necessary amendments of the articles of association.

§ 6

The Board of Directors shall, in addition to such members that, in accordance with law, may be nominated by others than the General Meeting of Shareholders, consist of no less than five (5) and no more than ten (10) Directors with no more than two (2) deputy Directors. The Directors and the deputy Directors shall be elected by a General Meeting for the period up until and including the first Annual General Meeting to be held the year after the Director or the deputy Director was elected.

For the audit of the company's administration and accounts, the General Meeting shall appoint two (2) authorised public accountants with two (2) deputies, or one (1) registered public accounting firm.

§ 11

§ 12

If a share of class A has been transferred to a person who is not already a shareholder in the company, by means of purchase, exchange, gift, separation of joint property, inheritance, will, company distribution, merger, demerger or other transfer of title, such share shall immediately be offered to the holders of shares of class A for redemption.

As soon as the Central Securities Depository has informed the Board of Directors of the transfer of title, the Board of Directors shall immediately inform the acquirer of its obligation to offer the shares for redemption by written notification to the Board of Directors. Such notification shall contain information on the consideration paid for the shares and the acquirer's conditions for redemption. The acquirer shall hereby evidence his or her acquisition of the shares. Immediately upon receiving a notification of transfer of title, the Board of Directors shall enter this into a special book with details on the date of notification, as set forth in the Companies Act. The Board of Directors shall at the same time notify every person entitled to redemption whose postal address is known to the company, in writing, of the transfer of title to the shares and inform that claims for redemption shall be submitted to the Board of Directors within two (2) months from the acquirer's notification of the transfer of title. Claims for redemption submitted within the stipulated time period shall be entered into a special book with details on the date of the claim for redemption, as set forth in the Companies Act.

An offer for redemption may not be exercised for a smaller number of shares than those included in the offer. If claims for redemption are made by several persons entitled thereto, the shares shall, to the extent possible, be allocated to those entitled to redemption in proportion to their previous holdings of shares of class A. The remaining number of shares shall be allocated by drawing of lots, executed by notary public.

The redemption price shall be determined by agreement between the acquirer and the person entitled to redemption and shall as a general rule, if the shares have been transferred for a consideration, correspond to such consideration and otherwise to the price which can be expected in a sale under normal circumstances. If an agreement on the redemption price cannot be reached, the person entitled to redemption may request arbitration as set forth below.

A dispute regarding redemption of shares in accordance with this section 12 shall be finally settled by the Rules of the Arbitration Institute of the Stockholm Chamber of Commerce. Arbitration shall be requested within two months from the day when the claim for redemption

was submitted to the company in accordance with what is stipulated above. The arbitration board shall consist of three arbitrators or one single arbitrator and is to be appointed by the institute. All requests for arbitration, which by reason of the same transfer of shares have been submitted to the institute within the above stated time, shall be dealt with as one single arbitration procedure.

The redemption price shall be paid within one (1) month from the time when the redemption price was determined, by means of agreement between the parties or by an arbitration award.

If, within the stipulated time, no person entitled to redemption would submit a claim for redemption, or if the redemption price would not be paid within the stipulated time, the person who offered the share for redemption shall be entitled to be registered as holder of the share.

§ 13

The shares of the company shall be registered in a CSD register in accordance with the Swedish Central Securities Depositories and Financial Instruments Accounts Act (1998:1479).

These Articles of Association were adopted at a General Meeting on December 9, 2020.
